

About Us

We have been providing vendor finance in the Geelong market for a number of years successfully helping families make the transition from "renters" to home owners.

Since we are registered builders and plumbers we do our own NEW developments as well as offering existing homes. Check out our trade credentials at www.r2bgpropertyservices.com.au

Rent2BuyGeelong Pty Ltd is a Registered Credit Provider under the Consumer Credit (Victoria) Act 1995. Registration # 2169 and complies fully with the code including doing things such as providing formal loan statements every six months.

Bottom line is that we do things PROPERLY.

NOTE: Be aware that from time to time "fly by nighters" pop up who are in this business for the short term to try make a quick buck. They do not meet all the necessary legal requirements nor do they have the systems in place to protect you the purchaser and to handle all the nuances this business throws up. You can be sure that working with R2BG you are working with a reliable experienced company that does what it says it will do.
