

## Moving In Checklist

Before moving in you will need to gather a list of documents that help us to assess your application. All of the documents are on the Move In Checklist which we will supply you after you have looked at the property you are interested in and contacted us by phone m: 0401032868 NB: ALL of the boxes on the checklist must be ticked before we can approve your application and hand you the keys.

To learn about what it takes to clean up your credit so that you can apply for a home loan and finance out of the property check out.
